THIS IS OUR HISTORY

As Freshmen, we were in the top position as the Upperclassmen or Seniors in the Parlin. It was a good year. Our football, basketball, and baseball teams were State Champions and we were very proud of them. Our Class Officers were: Billy Harrington, President; Dick Talbot, Vice-President; Pat Lucci, Secretary; and Lillian Montalbano, Treasurer. Carolyn Larson and Steve Flint received the Outstanding Citizenship Award while Sue Freedman was named the winner of the Prize Speaking Contest. Among the unforgettable memories of our Freshman year are: the tyranny of the "Traffic Squad" the Afternoon Socials which petrified the bashful boys and blushing girls then there was the "E" (not for excellency) Club the Thursday assemblies the reciting of the never-to-be-forgotten Character. Then we so well recall to mind Parlin Day when forty three members of this outstanding class received the coveted Parlin "P" Award. Now we were ready and eager for the short walk across the street to the High School.

But were we in for a shock!! We were now on the lowest rung of the social ladder---lowly Sophomores. Despite the constant reference to little kids by upper classmen, getting lost in the corridors, hunting for the elevators, and searching for our rooms we managed to survive. For weeks we walked about with our mouths open because of the freedom of speech in the corridors. No ten p.m. sessions here for talking while we filed. We elected the following to lead us on: Billy Harrington, President; Larry Lifson, Vice-President; Pat Lucci, Secretary; and Helena Rauseo, Secretary. Stephanie Leather, Marie Pesce, and Dick Talbot represented us in the School Council. During the year just as many as possible were members of the various school organizations and participated in the presentations possible. The backbone of the football team was found in Ciulla, Medugno, Scarinci, and Leet while Johnny Ball and Steve Flint won spots on a great basketball team. We concluded our Sophomore year with a great sense of accomplishment we survived.

Considering ourselves a vital necessity to Everett High we returned as Juniors. By this time we were well adjusted and now it was our turn to harass those poor little Sophomores. We had grown accustomed to the luxury of the Cafeteria, the tranquility of Rm. 202, the flooded gym lockers, and the splendor of the Trophy Room. Junior year was filled with activity. This time we elected Steve Flint, President; Helena Rauseo, Vice-President; Pat Lucci, Secretary; and Andy D'Avanzo, Treasurer. Student Council members were Connie Napolitano, Sue Iossa, John

Putnam, and Dick Talbot. Our Athletes again were representative of this great class and were the constant threat in our opponents' hair. Greatest of all were our gallant and gracefull Ballerinas of the Talent Show. Our first real formal was this year and it was the outstanding event in our Junior year. The Junior Prom . . . Stardust . . . How completely different everyone looked. Beautiful young ladies in evening gowns escorted by young gentlemen in tuxedos. It's no wonder no one spoke to each other for an hour or so, we didn't recognize each other. This was the climax to our Junior year, a year of hard work, but a year of fun.

At last we had arrived this was it . . . Seniors!! that magic word. With the usual calm confidence of the ambitious Senior we enter school with the perenial casualness of kittens. What a shock We must beat the Russians in the race to the moon school is now loaded with prospective Everett High scientists. We soon were in the swing of things, our seats on the window sills of the cafeteria were all reserved for us as were the front rows in the Auditorium. Our dignity was being appreciated. Steve Flint was again elected President, Helena Rauseo, Vice-President; Pat Lucci, Secretary; and Sue Iossa, Treasurer. Representatives on the School Council were: Audry Lantz, Vice-Chairman; Dave Dyer, Connie Napolitano, John Putnam, and Janet Farrell. Jack Anzivino was chosen as Good Government Representative and once again Steve Flint received recognition as recipient of the Brotherhood Award.

Yearbook staffs were elected, the disaster of the football season and the glamour of the basketball season and Boston Garden soon passed. We had our pictures taken and swapped them with our friends, posed for more pictures, hoped for more days off because of bad weather and so the end was drawing near. The Club activities had all swung in and out of action and now we knew the day was near at hand. The Senior Ball our final dance as High School students Class Day with all its levity and the fun which followed. The final assembly of the Class of Fifty Nine Our Graduation.

AS we now look back upon our twelve long years of schooling they become but a very short walk down the roadway of life. We shall miss our friends and classmates whom we have taken for granted and many are the ones whom we shall never see again. The little things we learned are now becoming mountains of good sense. The good times we had together can never be relived. Our future lies ahead but our past will always be a gathering of many pleasant

THE FRENCH CLUB

This year has been very exciting for the "Cercle Francais." At our first meeting we completely filled (over filled) Room 319. After saluting the flag in French and singing "Les Marseillaise", we settled down and elected officers.

Among our many activities we managed to plan a trip to a French restaurant and an evening at a French movie. Everyone certainly had a wonderful time.

We presented a variety of French scenes for the Christmas assembly consisting of three scenes depicting Christmas in France. One was the traditional manger scene while the second centered around a tableau of a French home with wooden shoes and other typical French customs displayed. The third tableau showed us how the French children observed their "Fete" by singing the traditional French Carols, with "Cantiques de Noel" in the background. Even the little puppy which ran across the stage just before we were through didn't dim our high spirits.

Oh, yes! We can't forget the Christmas Party which was so successful. We played games in French and had ice cream cookies, and home-made cake. Even Santa Claus from the Spanish Club joined in the fun.

In closing we must not forget to thank Mlle. Ottaviano and Mlle. Gouregghian for their help in making our year such a complete success.

DRAMA NIGHT

CURTAIN GOING UP

Under the direction of Mrs. DuVal, the Dramatic Club presented its play "Curtain Going Up" on Friday evening February 20 in Rockwood Auditorium.

The play was a rollicking, delightful comedy of youth. The three act play was a story in the comic terms of the production of a play in high school. The action took place on the stage and in the auditorium, during rehearsals and after presentation.

The first act introduced you to all the characters and their personality. Toward the end of the first act the play books were stolen. This caused much confusion, but their Dramatic teacher managed to write up the scripts. To make matters worse, the members of the cast didn't like the play because they felt the lines were much too corny.

At the end of Scene I in Act II, they found out who stole the play books. This caused much confusion for everyone.

As the day of the presentation of the play approached, Miss Burgess felt that the play would be a flop and would not go off very well.---But to everyone's surprise, in the final, the play became a huge success.

Members of the cast included:

Barbara Zagorsky, Judith Cordeau, Suzanne Freedman, Loretta Swain, Marilyn Feldman, Harriet Lanzman, Carolyn Feldman, Connie D'Agostino, Marilyn Pierce, Nancy Franks, Sylvia Aliberti, Lois Thompson, Bill Harrington, Neil DellaPiana, Bruce Scholosberg, Tom Trevisani, James Cirino, Howard Rosenblatt, and Gerald Cohen.

An instructive course was offered with much time being devoted to the research of the topic and to the mastering of the techniques of discussion and debate.

THE SEASON

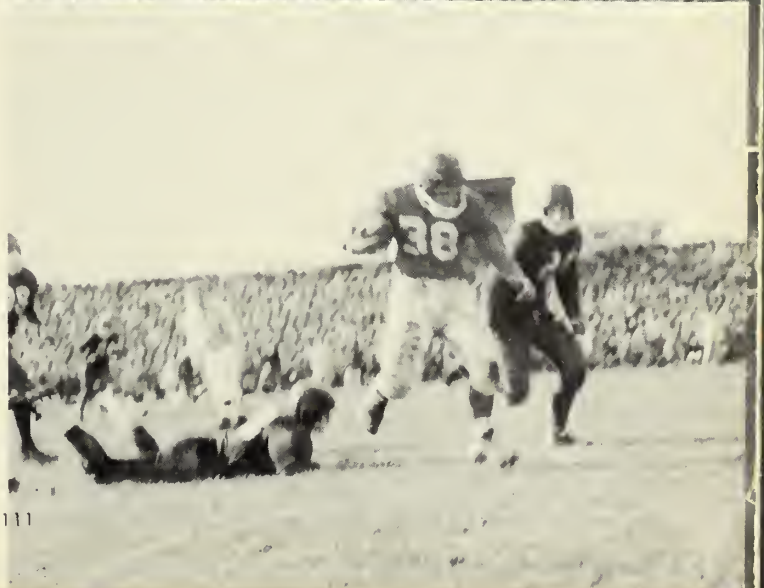

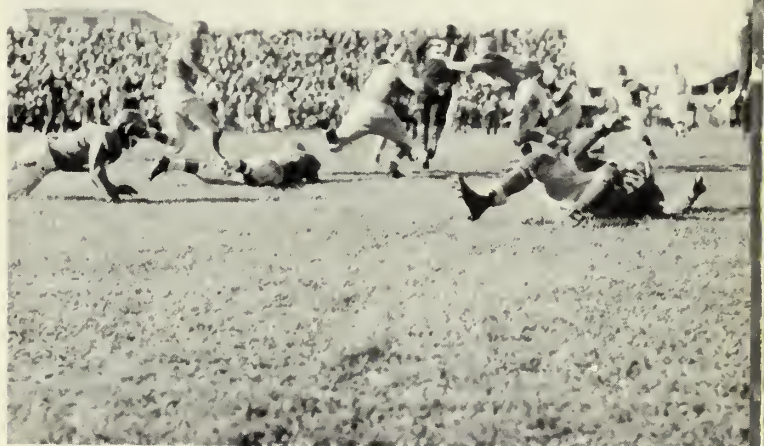

Under the leadership of Coach Sarno and Captain Harry Leete, Everett awaited the 1958 season with a hopeful outlook. Little did we suspect how much we would need that hope throughout the following games.

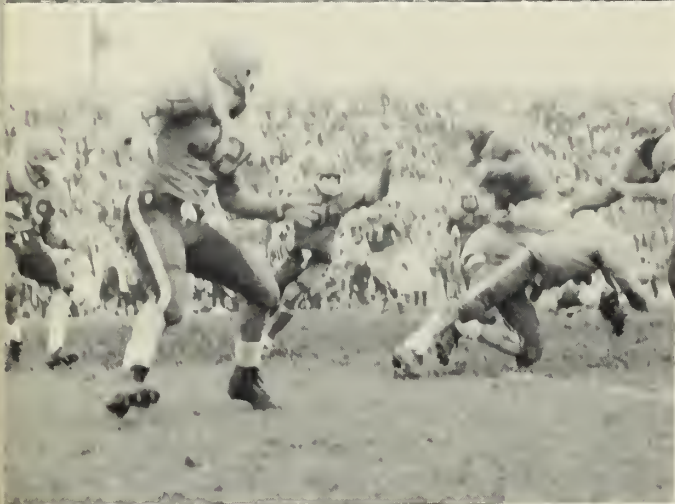

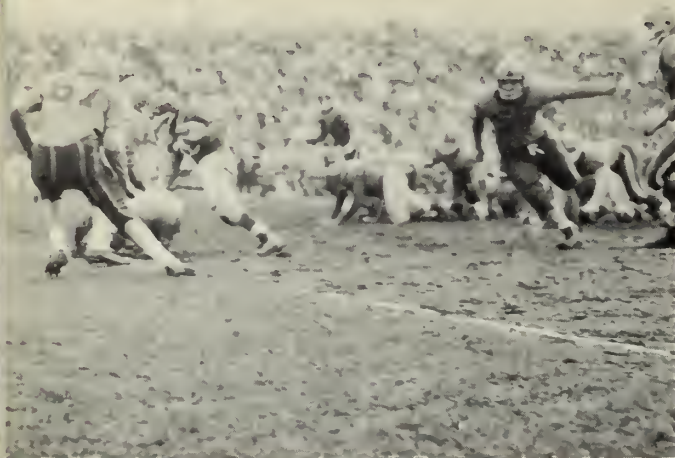

"Crimson Stops Newton In 19-18 Thriller" was the headline after our first game on A Monday afternoon at Everett. Our boys came from behind three times, and trailing 18-12 in the final minute of play, Medugno caught a pass for a 21 yard scoring play. With the score tied DePari kicked the winning point. Harry Leete was outstanding in the line, while DePari and Medugno carried the backfield load on offense.

Against Somerville our next opponent, Everett was defeated 14-0. The Crimson threatened in the third period when they recovered a fumble on the Somerville 12 but lost the ball on downs. Other than this we couldn't seem to make much headway against the big Somerville team.

Everett's fighting eleven came from behind twice to almost cop a victory over Quincy. Medugno and DePari gave their all but we lost this heartbreaker 22-20. Until the final minutes we thought we had a GBI win in our grasp.

With our 1 and 2 record we made the trip to Arlington to face a good rugged team. After dominating the first quarter to lead 8 to 0, Everett felt the impact of an undefeated powerhouse. Arlington really got rolling and was leading at the half 22-16. The roof fell in the last period as the Spy Ponders scored 30 points to win 52 to 16. Scarinci and DePari did their best as we felt our third straight loss.

With spirits low we ventured to Medford on a Monday afternoon but Everett's eleven came through in great style as they defeated the Medford Mustangs 25-0. The Crimson scored in each period with Scarinci and Medugno making 2 of the 4 touchdowns. Everett displayed some fine defense and a very classy backfield.

Our next rival was Weymouth, always a tough opponent. Everett was handed a crushing defeat by a score of 22 to 0. Although the Crimson showed strong offense in the third quarter they were stopped twice just short of the goal line by the hardhitting South Shore team.

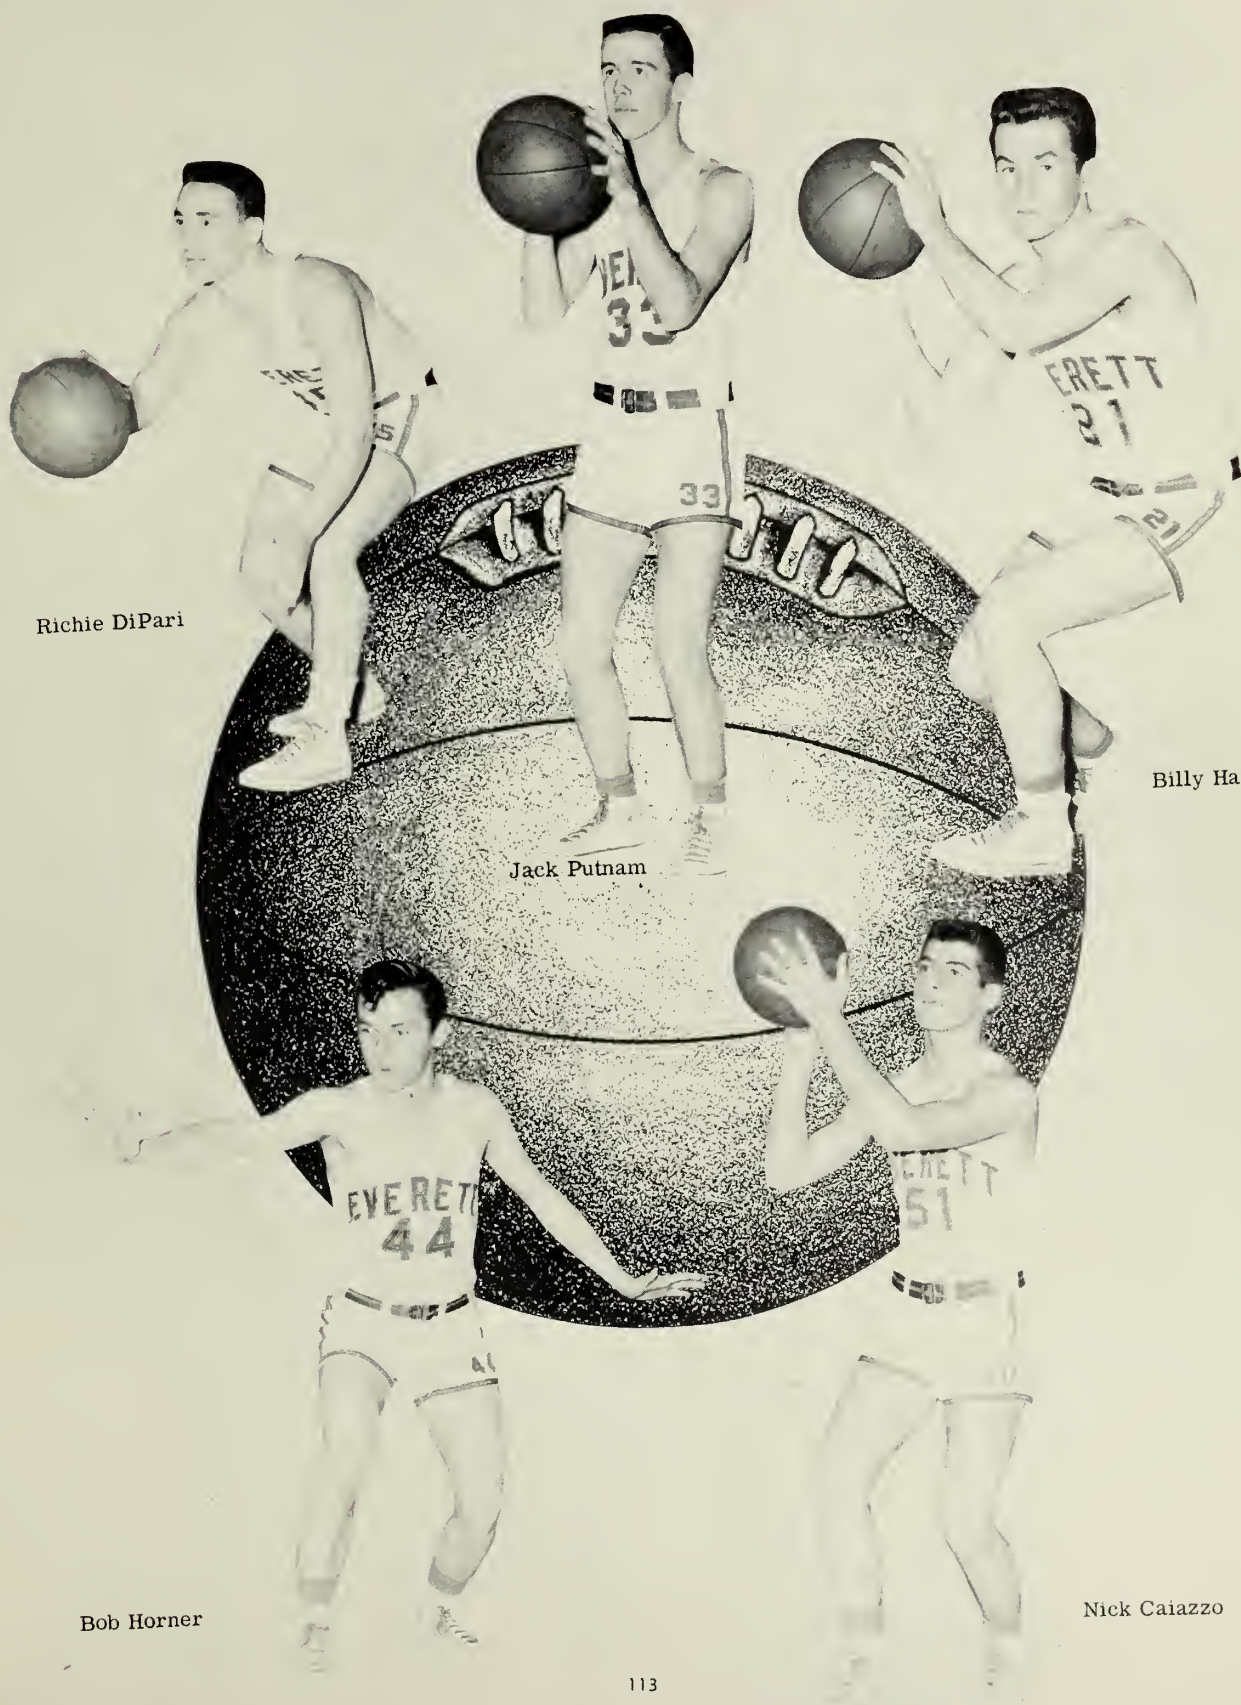

Hoping for a comeback after our loss to Weymouth, we were terribly disappointed as Nashua rolled to a 45 to 19 victory over our fighting squad. The New Hampshire team pulled away to a decisive win after a 6-6 first quarter. DePari scored twice and Medugno once to account for Everett's tally.

In the 65th renewal of their traditional football series, Everett and Malden battled to the final gun, only to have the Tornadoes win by the slim margin of one touchdown-26 to 20, Everett led 12 to 8 as the first half ended and appeared to be a vastly superior team. However, Malden recovered and scored the deciding touchdown with two minutes to play. 2TD's for the Crimson were by Scarinci with Medugno and DePari making some fine runs. Sarno took over the quarterback spot in the second half and had the team on its feet to pull out the final gun score.

The final game between Everett and Chelsea was held in Chelsea Memorial Stadium at ten o'clock on a cold Thanksgiving morning before 10,000 cheering fans. The Everett followers got a rude awakening as they saw the Red and Blue trounced by Chelsea 23 to 0. The Crimson couldn't seem to get started and except for a few good runs by Medugno appeared definitely outclassed.

The season was disappointing to say the least, but at times the team showed brilliant play. They were led by Captain Leete who along with Dyer, Melchionno and Ball did a fine job in the line, while Medugno, Scarinci, DePari and Ciulla made up an excellent backfield.

We are proud of our coaches and our classmates who gave their best to bring victory to Everett High, and if in some instances they failed it was certainly not because of lack of spirit. Best of luck to our senior athletes in the future!

BASKETBALL SQUAD

THE SEASON

Basketball at its best at Everett High. In his usual capable fashion, Coach Putnam again came up with a good club. With a nucleus of only a few of last year's squad he managed to mould together a team which wound up the season with a record of fifteen wins and three losses.

The season opened with a big question mark as to the boys' capabilities but this was soon to be forgotten as they trimmed Malden by the score of 69-48. Co-Captains Ball and Flint each came up with twelve points. Russo also came up with twelve more and Motrone was the big gun with fourteen.

North Quincy was next and they too fell victim to the Maroon team 78-49. Russo was top man with seventeen points, Motrone with fifteen, and Ball with fourteen.

Revere offered very little and this was decided early and allowed Coach Putnam to clear his bench for most of the game. Johnny Ball topped the scoring with twenty points.

Weymouth, one of the top teams to beat in league, was next and the boys gave this one to "Putty" for a Christmas gift by a big margin 77-49. Ball again was all over the court and garnered twenty-one points. Russo also did well with eighteen points.

To finish off the year of 1958 in good style the team took on Lowell on the night of December 30, and wound up on the long end 71-44. Russo was tops this time with fifteen points closely followed by Motrone with thirteen and Flint with twelve.

To start off the New Year we picked on Medford and burried them by a score of 64-43. Flint finally started to roll in good style and came up with fourteen points closely followed by Russo with thirteen and Ball with eleven.

Quincy High, a thorn in the side of many a team in the past, fell before the rush and this was to the tune of 76-41. Once again it was Ball with nineteen and Flint with seventeen points.

Somerville, our nemesis, was next in line. Our hopes were high. Both teams undefeated. At the end of the first period we trailed by four points and at the half by three points. We were missing at the foul line and this was hurting. At the end of the third period we not only caught up but went out in front by two points. However, the Somerville bench had the reserves and this soon told and we went home very dejected and disappointed on the short end of a 70-54 score. Ball and Flint were standouts for our cause with the former getting eighteen points and the latter thirteen.

Chelsea is not the Chelsea of old in basketball. In the final game of the first half season we ran roughshod over them to the tune of 65-48. Again it was Johnny Ball with twenty-two points and the rest being divided among the rest of the squad.

Our return game with Malden was about the same as the previous and we emerged victorious by the score of 72-55. Ball dropped in nineteen points and Flint roared back to form with seventeen.

Again North Quincy offered very little and we coasted in by a score of 74-43. Flint bounced in twenty points and Russo seventeen. The rest of the squad had a good workout.

Revere again was helpless and we were on the long end of a 69-37 score. Johnny Ball had a field day with twenty-five points.

Weymouth was beginning to show at this stage of the season and from all reports they were out to stop us. However, our boys gave them the deep freeze and the South Shore lads went home very unhappy. This time the score was much closer, 62-57. Ball with fifteen and Russo and Motrone each with fourteen led the scoring.

Our long trip to Lowell was made pleasant by another big win, 89-71. Summers was the big gun in this game with twenty-two points while Ball added nineteen to his scoring honors.

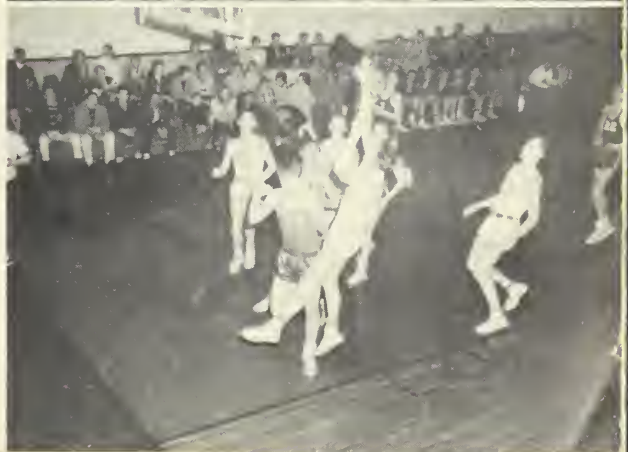

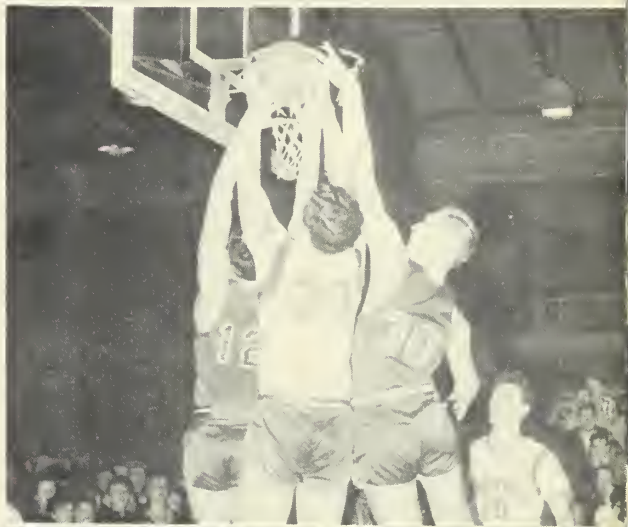

Medford again fell by the wayside by the score of 76-58. Flint was high man with nineteen points while Gianinno came into his own with eighteen.

The second game with Quincy was a complete upset. Here we were riding the crest of a wave only to be dunked but good. Flint was out of the lineup and this, coupled with everything we did going wrong, sent us down to defeat. It was not our night and as the 51-45 score showed, we couldn't buy a rebound or a basket.

Once again it was Somerville and a sell out crowd. The whole game was a great exhibition with the score first in their favor and then in ours. Going into the final minutes the lead was ours and it looked as if we were in. Then it happened, again those Somerville subs were too much for us and they pulled it out at the last moment 68-61. Ball popped in twenty points, Summers fourteen, and Flint thirteen.

The final game of the season saw us once again down Chelsea by a score of 86-63.

On to Boston Garden and the Tech Tourney!!!!

MEET THE CHAMPS

The Tech Tourney and Boston Garden. This is the dream of every Eastern Massachusetts Basketball Team. For thirty one years Coach Len Putnam had been the Mentor of the Everett High basketball team and, as is the way with every coach, he has had his good years and his bad years, his fat years and his lean years. Yes, we had been in tourney play before in the Garden but we were never quite able to come out the winner and champ. Once again we were invited to participate even though the odds were against us and the predictions were that we would not last to the end.

We opened the trials against a high ranking Boston Conference Champion in Boston English High. This club proved to be of little trouble to our underdogs and we came home the victor by the one-sided score of 68-41. The entire squad took part in this one and every boy did his part. To single out an outstanding player would be unfair although Co-Capt Steve Flint did come up with seventeen points while Co-Captain Johnny Ball and George Summers managed to get sixteen in the short time they played.

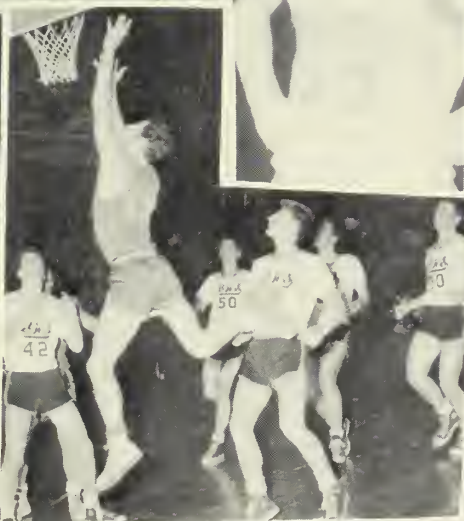

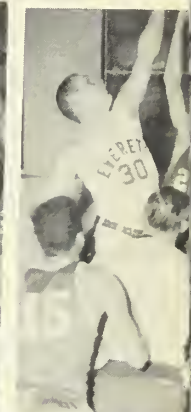

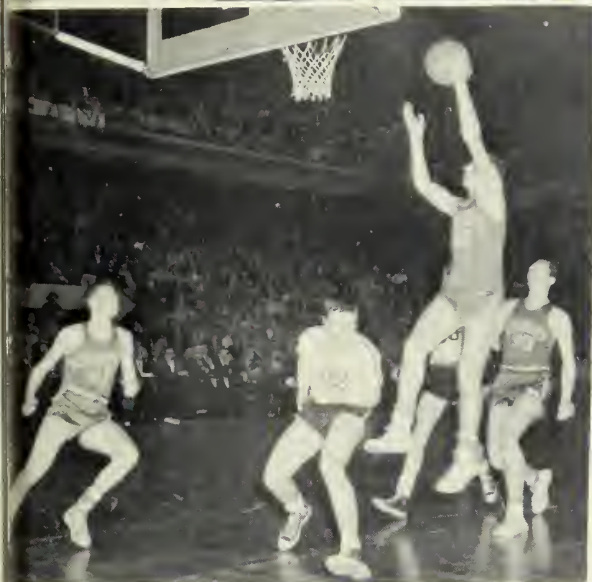

Somerville, top team in the tourney choice was our next opponent. This was the same club that had licked us twice in league play and of course we were not given a chance. This was the spot to be in for us, everything to win and nothing to lose. We did just what was not predicted, We Licked 'Em 87-86. Boston Garden will never forget this one nor will we. Dogged determination and a team that wouldn't be beaten predominated the play all night. The rafters rang and the thirteen thousand spectators roared right down to the finish, and when the smoke of battle had cleared, there we were the victors. To each and every boy goes the credit for victory. Johnny Ball was high scorer with twenty seven points but the play of Steve Flint and Tom Gianinno was outstanding from a defensive point of view.

Beverly High, North Shore Champions, came next and our boys toyed with them. Once again every member of the squad participated and only two boys failed to be in the scoring column. This one went to us by the score of 83-51.

The final game for the championship before fourteen thousand fans. Matignon High School our opponent and a real rugged team. Our boys were a little slow starting but once they managed to get under way they were not to be denied. A narrow lead separated the two teams most of the way but we sewed it up by the score of 64-60. Bedlam broke loose at the final gun as our boys tipped over the "Apple Cart" and walked off with the coveted Eastern Massachusetts High School Championship.

To Coach Putnam and his boys, the highest of praise. Thanks for the thrills and the chills of a wonderful season and the many happy moments you gave us. May your futures be bright and may you always remain Champions in your chosen fields in life.

Our next move was on to Boston Garden and the New England Championships. Time does not permit us to record this due to the necessity for the book going to press but we do know that we will be proud of the Everett High School Championship Basketball Team of 1959 forever.
